Get your kids ready for the best week of their summer! **Music Adventure Camp** is coming! It's a camp packed with fun and adventure, all centered around music.

Your child will spend their days exploring, learning, singing, playing and achieving. They will make new friends and build character.

In the morning we'll sing, play games and make awesome craft projects. In the afternoon we'll climb on the bus for our afternoon adventures that may include swimming, bowling or Oaks Park. At the end of the week, all parents will gather on Sunday and share in the fun as the kids present a musical with songs, skits and special moments.
